

For over 50 years, Worldwide Marriage Encounter (WWME) has helped millions of couples throughout the world unlock the power of their relationships with new ways to do the “I do.”

Every relationship is a journey. Everyday life can cause you to lose touch with your spouse.

When we take our closest relationship for granted throughout the grind of everyday life, we fall into unconscious, and often unhealthy, habits.

“This experience is A MUST for all couples. It will definitely bring back romance and joy in your marriage.”
--Oliver A.

“When my husband and I had no more hope, we found this organization(...) We reconnected and fell in love all over again!!”
--Charlotte T.

“We had been married for ten years when we went(...) We became much better parents because of it.”
--Barbara W.

“It was amazing! The most fruitful weekend my wife and I have ever had. Do whatever it takes and schedule yours now!”
-- Bruce R.

The Worldwide Marriage Encounter experience is a heart haven that helps you listen, share and connect more deeply.

There's no group discussion. It's just about the two of you learning to be the best, most loving and thriving couple you can be.

Even when a marriage is going smoothly, there are always opportunities to make it work better.

Just as driving a car without routine maintenance can lead to problems, a marriage needs attention to stay on track.

What happens in a WWME experience?

Over the course of the experience -typically, a weekend- three couples and a priest will provide new tools, using examples from their own lives, to help you work through common themes we can all relate to, such as:

- Exploring our personality styles
- Appreciating our differences
- Listening in a new way
- Communicating intimately
- Addressing difficult topics
- Discovering God's desire for our marriage
- Continuing the journey

While faith is a powerful part of this process, the focus of the WWME experience is on the ups and downs of married life.

Married couples of any denomination, mixed faith or without religious affiliation are welcome.

Thriving together

Remaining strong as a couple provides a stable and loving environment for your children. As kids grow, being a united force to guide your family, no matter what, is key. Then, when it's time for them to move on, you can continue growing and thriving in your relationship.

Learn to become the best version of yourselves together!
